

Welcome to the 28th Annual WesterFlora Garden Tour. Our theme this year is "*The Spirit of WesterFlora*", which was the theme from 1993 to 2002. We hope to attract new gardens and new visitors to our tour by bringing back that Spirit of WesterFlora that was so exciting in the beginning. Westerville has a long history of gardening and our tour is a way to showcase some of the wonderful gardens created by our residents. There are gardens bursting with color, texture, garden rooms, plant collections, themes and much more. All are ultimately beautifying our city.

Our tours began in 1992, the year the AmeriFlora International Flower Show was held in Columbus at Franklin Park. Westerville and other communities throughout Central Ohio spruced up their landscapes and conducted local gardening contests and tours in conjunction with AmeriFlora. Some lasted for a few years but only Westerville's "WesterFlora" continues to this day.

WesterFlora Garden Tour has received several 1st Place Awards from Garden Club of Ohio, Inc. for our Landscape Design Event. Members of the Westerville Garden Club Tour Committee select gardens for the tour from the entries received that best represent landscaping uniqueness, healthy and diverse horticulture and artistic expression. The gardens our residents create never fail to impress.

We thank and appreciate the hard work and the generosity of these property owners for opening their gardens so that others in our community may enjoy and learn from their talented and creative endeavors.

We would encourage you to visit the following public gardens in our community, which Westerville Garden Club helped establish and continues to help maintain:

Hanby House Kitchen Garden
160 W. Main Street

The Presidential Oak Grove Park
& Blue Star Marker
115 East Park Street

The First Responders Park
374 West Main Street

People's Choice Award
Look for the Ballot Box in each garden & vote for your favorite.

We would like to thank all the participating artists and entertainers for the donation of their time, talents and beautiful work. We believe they enhance the garden tour experience.
