

WesterFlora 2010

Welcome to the 19th Annual WesterFlora Garden Tour. Our theme this year is "For the Love of Gardening" and the gardens this year all express that love. The gardens are bursting with color, plant collections, theme gardens, scenic views and much more.

Our tours began in 1992, the year the AmeriFlora International Flower Show was held in Columbus. Communities throughout Central Ohio conducted local gardening contests in conjunction with AmeriFlora. Some lasted for a few years after the show but only Westerville's "WesterFlora" continues to this day.

WesterFlora has evolved from a judged gardening competition to a non-competitive garden tour leading to greater community participation. Members of the Westerville Civic Beautification Committee select gardens for the tour from the entries received, that best represent landscape uniqueness, healthy and diverse horticulture and artistic expression.

We thank and appreciate the hard work and the generosity of these homeowners for opening their gardens so that our community may enjoy their talented and creative endeavors.

See our web site at:

We would like to thank all the artists located in the gardens for their beautiful work and support of WesterFlora.
