

WesterFlora 2011

Welcome to the 20th Annual WesterFlora Garden Tour. Our theme this year is "Celebrate Westerville the Beautiful." We are celebrating the beauty of our gardens, which are bursting with color, texture, plant collections, themes and much more, ultimately beautifying Westerville.

Our tours began in 1992, the year the AmeriFlora International Flower Show was held in Columbus. Westerville & other communities throughout Central Ohio spruced up their landscapes & conducted local gardening contests & tours in conjunction with AmeriFlora. Some lasted for a few years but only Westerville's "WesterFlora" continues to this day.

WesterFlora has evolved from a judged gardening competition to a non-competitive garden tour leading to greater community participation. Members of the Westerville Civic Beautification Committee select gardens for the tour from the entries received, that best represent landscape uniqueness, healthy and diverse horticulture and artistic expression.

We thank and appreciate the hard work and the generosity of these homeowners for opening their gardens so that our community may enjoy and learn from their talented and creative endeavors.

We would like to thank all the artists and musicians located in the gardens for the donation of their time, talents and beautiful work. We believe they enhance the garden tour experience.

For more information about them and our tour, visit our web site at: <http://www.westerflora.com>.
